## SPLIT FIFTY-FIFTY.

Spaulding Lost at St. Johnsbury and Won at Hardwick.

The Spaulding high school basketball team returned yesterday from a trip to St. Johnsbury and Hardwick with one defeat and one victory noted on their scorebook. The defeat came at St. Johnsbury Friday night with the score of 35 to 14 in favor of the academy. Saturday night, however, the Spaulding team showed their power to come back and went off the floor at Hardwick with the big end of a 33 to 28 score.

## The Game at St. Johnsbury.

Spaulding was hopelessly defeated in the first half Friday night by the fast work and the accurate shooting of the St. Johnsbury forwards. Vitty secured six field goals and one foul and Ellis caught two goals from the floor. Carroll was the only man to score for Spaulding in this half and he was able to register only one two-point basket. The score at the end of the first period stood 22 to 2 in favor of the academy team.

At the beginning of the second half Densmore took Rogers' place at guard and Spaulding held their opponents down to a 13 to 12 score in this period. Each of the Spaulding forwards and Nichols secured a basket from the floor and Densmore showed himself a worthy substitute with three field goals to his credit. The summary:

St. Johnsbury. Spaulding. Vitty, H. . . . .rg, Rogers, Densmore Ellis, H. . . . .lg, Goals Masse, C. . . . .c, Nichols Farnham, H. . . . .rf, Carroll Bailey, H. . . . .lf, Mann

Score—St. Johnsbury 35, Spaulding 14. Baskets from floor—Vitty 10, Ellis 2, Masse, Farnham 2, Carroll 2, Mann, Nichols, Densmore 3. Baskets from fouls—Vitty 4, Farnham. Referee—Kenefick. Umpire—Gamble. Score—Brown, Time—Two 20-minute periods.

The Hardwick Game. Spaulding played in fine style in the Hardwick game, the result of the game showing what constant plugging away will do even in the face of a possible defeat. Neither team had at any time in the game enough of a lead to be safe and the score at the end of the first half stood as it had stood many times during the half, at tie, Spaulding 11, Hardwick 11.

The second half was a hard fight from start to finish. Hardwick was somewhat handicapped by the loss of "Duff" Lewis, their lively little forward, but his successor proved himself worthy of a place on the team. Mann came back with a burst of speed and a series of accurate shots which netted the Barre team 16 of the 22 points which they secured in this period. The Hardwick team made a desperate attempt but could not stop the "come back" spirit which seemed to have taken possession of the Spaulding aggregation. The final score was 33 to 28.

Summary. Spaulding. Cordella, H. . . . .lg, Goals McClell, H. . . . .rg, Densmore Murphy, C. . . . .c, Nichols Thompson, H. . . . .rf, Carroll Campbell, H. . . . .lf, Mann

Score—Spaulding 33, Hardwick 28. Baskets from floor—Mann 7, Carroll 2, Nichols 2, Cordella 4, McClell 2, Thompson 2. Goals from fouls—Cordella 2, Mann 3. Referee—Kenefick. Umpire—Johnson. Time—Rogers. Time—Two 20-minute periods.

Seventy friends of Ellie Conolly gave her a surprise party at her home on North Main street Sunday evening, the occasion being her 12th birthday anniversary. The young people played games, enjoyed the music of a victrola and singing and when Ellie cut the birthday cake, to her great surprise she found a diamond ring, a gift from her father. Then, with a nice little speech, Miss Jennie Cessari, in behalf of the company, presented Miss Ellie a jewelry box, the recipient responding fittingly. Refreshments of ice cream, candy, fruit and chocolates were served. The party broke up at a late hour, the guests wishing Ellie many more happy birthdays. All enjoyed a fine time.

The authorities are working on a case of alleged dog poisoning which was reported to the grand juror Saturday afternoon. It is claimed that poisoned candy was employed to rid a certain neighborhood of dogs, and that a tragedy among the canine residents of the section mentioned was averted only by the vigilance of one of the dog owners. Samples of the candy, evidently a home-made concoction, were submitted to the local authorities, who, in cooperation with the state's attorney, are having the candy analyzed at the state laboratory in Burlington. A report is expected within a few days. Several cases of suspected dog poisoning have been brought to the attention of the authorities within a few months.

Arthur A. Stetson, the Charles street farmer, who was arrested last week on a complaint made to Grand Juror William Wishart charging him with cruelty to dumb beasts, appeared before Magistrate H. W. Scott in city court this forenoon and reversed his original plea of not guilty, pleading guilty through his attorney, A. A. Sargent. Upon representations made in court, the case against Stetson was held open for sentence and he was allowed to depart. The respondent's arrest grew out of revelations made concerning three cows and a horse which had their abiding place in a barn on Charles street. At the instance of the humane society, the horse was killed and feed and hay were procured for the cattle.

There was a large gathering of Woodmen and much satisfaction was expressed over the showing made by the camp in 1915. Reports read by several officers indicated that the camp is strongly entrenched financially with a larger membership than at any time in its history. Action was taken on the applications of eight candidates and after the 1915 officers had been duly elected an officer, an enjoyable buffet luncheon was served by the refreshment committee.

R. E. Henderson of Wells River, who formerly conducted moving picture theatres in Barre and Montpelier, arrived in the city this morning to confer with local men who, it is rumored, contemplate reopening the Pavilion theatre. A few weeks ago the Pavilion was closed down at the order of Mr. Henderson and late in 1915 the Dreamland, also a Henderson theatre, was closed. Saturday the Dreamland was reopened by Guy Dindo, for several years an cinematograph operator. It is stated that a Barre man, who is wholly familiar with the show business, is on the point of leasing the Pavilion for a term of years.

Renewed interest in the Barre Citizens' band is being manifested by its members and with a supply of new music ordered for the summer season, rehearsals for outdoor concerts and the Memorial day program have begun in earnest. Tonight the musicians are to meet in the band room in the old city building for rehearsal at 7 o'clock. In keeping with the custom of other years, the Citizens' band will furnish music for the Memorial day exercises and if the customary appropriation is made by the city council, the usual series of 16 open-air concerts will be given in the summer, beginning in June and continuing until September. An allowance of \$1,000 is usually made by the council in its estimates for the year's expenses.

## A Singular Exhibit.

Americans wonder from time to time what information the good intelligent people of Germany are getting from the German newspapers about the status of our present international relations.

Here is an illustration from an editorial article in a Munich newspaper of considerable influence: "They (the president and Secretary Lansing) are again attempting to cause strained relations between America and Germany. As no new incidents have occurred, they have dug up the old, half forgotten Lusitania case, which all the world regarded as good as settled. It can no longer be doubted that the American government really seeks for differences with Germany."

"The old half forgotten Lusitania case" dug up in pure contentions, in the absence of "new incidents," with the malignant purpose of picking a quarrel with Germany!

How much of the information about the American attitude that reaches the friendly, well disposed minds of Germans at home is filtered through dummkopfs like this?—New York Sun.

There will be a special meeting of Barre series, 1-575, E. O. E., to-morrow afternoon at 1:30 o'clock for the purpose of attending the funeral of our late brother, James McKernan, sr. D. McDonald, W. Pres.
